#5 Archiving

- How do we get laypeople interested in archiving?
- Collaboration and coordination?
- What's working well today?
- What's not working?
#5

**ARCHIVING**

what's working well today?

what is not working?

how do we get laypeople interested in archiving?

KEY RECOVERY THROUGH DELEGATED AUTHORITY AND KEY RECOVERY

How to handle internal processes
I ask my team members to document and share best practices with each other.
How to handle that scenario?

- I lost my primary key in demand.
- Someone sent the only copy of my new key.
